Eye Care for Kids

Eye Care for Kids Foundation, a 501(c)(3) non-profit organization established in 1998 provides free eye exams, glasses and vision screening services for low-income, uninsured students enrolled in grades K-12 in the greater Houston area. Its mission to empower children to reach their full educational and social potential through vision. In addition to the gift of sight, children receive an opportunity to succeed in school, gain self-esteem, and a chance to overcome the cycle of poverty. Eye Care for Kids has served more than 20,000 children, and has been honored with the American Public Health Association's Outstanding Project Award for vision care.

How You Can Make a Difference

It is only with the support of caring contributors that Eye Care for Kids is able to continue eliminating "blackboard blindness." Our provider doctors donate eye exams and your gift of \$50 provides a child with a new pair of glasses and a carrying case.
